EVERY DAY COUNTS
IT’S NOT OK TO BE AWAY

FROM THE PRINCIPAL
I think that our students do a marvellous job of getting along out in the playground. At any given time there is a football match or two, a soccer game, students dancing and doing handstands on the oval. We have students shooting hoops, playing on the play equipment and playing a multitude of other games. All this takes place in a fairly compact area. I have been impressed with how our students get along so well.

Goodbye and Thank You
Mrs. Sinead Carroll and her lovely family will be returning to Ireland at the conclusion to this term. On behalf of our whole school I would like to thank her for the wonderful contribution she has made over the semester. Mrs. Carroll is an excellent teacher and has worked hard with her students to help them over this time. I would also like to wish her and her family all the best for the future.

Thank You – Bronwyn Robbins
On behalf of school council I would like to acknowledge and thank Bronwyn Robbins for her six years as a school councillor at Rye Primary School. Over that time, Bronwyn has provided her ideas, her time and made a significant contribution to our school.

End of Term Two – 2:30 Finish
The end of Term Two is on Friday 27th June. School will be finishing at 2:30 on that day.

Martin Watkins
Tomorrow is Mr. Watkins’ last day at Rye Primary School. I am sure he will be both happy and sad at the same time. If you see him out and about the school tomorrow, make sure to wish him all the best and say goodbye.

Keep Reading
I have been hearing from many students about how many nights they have read and also about what book they are currently reading. Many of our students have favourite authors and they seek to read as many of the author’s books as they can.

I am delighted that I am having these conversations with our students. So, keep reading everyone!

LIBRARY NEWS

Book Fair - We had a wonderful week last week with our Book Fair. I’d like to thank the whole school community for supporting the library, by purchasing so many books. These purchases have enabled the school to add over $1000 worth of new books with our bonus points from the sales. This is FANTASTIC!!! WELL DONE and THANK-YOU!!! We will be having another Book Fair in October. So for those of you who were disappointed they couldn’t make it, you might make it to the next one.

As you might be aware, this year we decided to give a raffle ticket to everyone who purchased an item at the Fair. We drew the winner on Friday morning after the close of sales. The prize winners are: 1st prize Adam from Rm 10, 2nd prize James from Rm 14 and 3rd prize went to Bianca also from Rm 14. Congratulations to all of you. It certainly did put a big smile on these three children’s dials :-) These children were all able to choose a book, poster or stationary. I’d like to send out a VERY BIG THANKYOU to my parent helpers, Kylie Logan and Nicole Jenkins, you were both fantastic.

I have also been in contact with Adam Wallace. We have had quite a few children who were unable to order his latest books and would still like to. If you are interested in placing an order please come into the library and see me. I do still have some order forms. The next big event for us in the library will be BOOK WEEK. This will be held in August. I’ve already begun purchasing the CBCA (The Children’s Book Council of Australia) Short-listed Titles for the big announcement in August. This is a fabulous week and the children love it. More about this at a later date. That’s all from me this week.

SPORTS NEWS

Last Friday the Year 2 students had their Cross Country event held on the School oval. The children looked good in their House colours and were ready to run as many laps of the oval as they could. It was great to see parents cheering the children on and giving lots of encouragement. Well done to all of the children but a few special mentions needs to be made.

Kate Terri ran 20 laps, Lucas Hickson ran 21 laps, Oscar Donnelly ran 19 laps and Thomas Martin ran 19 laps. These children were the top run scorers for their respective houses.

Winter Lightning Premiership
Thankyou to those parents who have offered to help with teams on June 11th. We are still needing parents for some more teams. If you can help we would love to hear from you. Teams have been practising at lunch times. Mr Campbell has had some intensive Soccer selection trials going on.

Lost Property
Don’t forget Lost Property is put out every Friday after school for you to look at. There is so many unnamed items of clothing. We also seem to be collecting lunch boxes at the moment.

Some of our fantastic Cross Country runners.
