WE NEED TO RAKE OUT 5 METRES OF SAND TO FINISH OFF THE NEW GOALS ON THE SCHOOL OVAL

PLEASE COME AND HELP US FOR AN HOUR OR SO – MANY HANDS MAKE LIGHT WORK!

Welcome back to Term 3. I hope everyone had a great break and is well rested, ready for another busy term.

I am delighted and honoured to be the new Principal of Rye Primary School. I have had a lovely welcome from student's staff and parents and am looking forward to gradually getting to know everyone better.

I thought it might be helpful to give you a bit of background information about me. I am married to another teacher and have 2 beautiful children; a son and a daughter.

I was born in the UK in Northern Ireland of two Scottish parents. I started my teaching career in

boarding schools in Northern Ireland and England then came to Australia on a teacher exchange, initially for one year. That one year was quite some time ago as I met my husband here and as they say, "the rest is history!" Since coming to Australia I have taught in both Private and Public Schools. I was also seconded to the Regional office of the Department of Education for two years where I worked on school improvement across the Region.

Prior to coming to Rye, I was Assistant Principal at Mornington Park Primary School. I am passionate about children and their learning and I will always have at the forefront of all decisions, the best interests of the children.

On Monday morning I have arranged an informal morning tea to allow me to meet parents. If you can spare a bit of time between 9am and 10am on Monday morning, I would love to say hello. Please let the office know if you are coming so we can adequately cater.

Student Enrolments

This Term we enrolled 5 new students to the school. Welcome to Mia, Charlotte Noah, Jarrod and Tyra and their families. We hope you have a very happy time at Rye Primary School.

We continue to conduct tours of the school for prospective new students and their parents and have had two prep tours already this week. If you know of anyone who may be interested in

RYE PRIMARY SCHOOL NEWSLETTER

enrolling, please ask them to contact us for a tour.

The POP program,- our transition program for 2015 prep students,- starts this term so it would be great if any new prep students enrol in time to take full benefit of this transition opportunity.

Student Learning:

_This Term we have developed an action plan to support the continued implementation of the "Big Idea" in Maths learning.

The Oval:

The new turf was put in during the break. It was installed in less than perfect conditions with a fair bit of rain hampering the workers. A problem has become evident in that the new turf is not on the same level as the ground causing a potential tripping hazard. Also with all the rain the area is very muddy. To solve this problem and make the area safe for our children, we will be packing and spreading sand around the "grass" this Saturday. If you can spare an hour or so on Saturday morning, we would really appreciate some help with this task. It shouldn't take too long and I would enjoy the opportunity to meet you.
