EVERY DAY COUNTS IT'S NOT OK TO BE AWAY

Last Day of Term 2 is Friday
the 27th of June
School finishes at 2.30pm.

FROM MR LOVIE

Farewell

This is my last newsletter as acting principal at Rye Primary School. I have enjoyed my time at this lovely school and now it is time for me to move on to another school.

I would like to thank all the students, parents, teachers and community members who have made my time here very enjoyable.

I would like to congratulate Jacqueline Annable who will be the new principal at Rye Primary School. I wish her all the best as she takes on the leadership of this school and I wish everyone here a bright, happy and successful future.

Welcome Back Mrs. Mitchell

Mrs. Helen Mitchell will be taking over Mrs. Takacs' class at the beginning of term 3 whilst Mrs. Takacs is on leave. Mrs. Mitchell is a dedicated and experienced teacher who is looking forward to carrying on the great work which is taking place in this class.

End of Term Two – 2:30 Finish

The end of Term Two is on Friday 27th June. School will be finishing at 2:30 on that day.

Keep Reading

I keep hearing from our students about how many nights they have read and also about what book they are currently reading.

I am delighted to be having these conversations with our students. So, keep reading everyone!

Acting Principal

Sports News

The Year 5/6 had their Winter Lightning Premiership on Wednesday 11th June. Teams in Netball, Football, TBall and Soccer made up the full schedule. Children had been practising at lunch time to prepare for the big day.

Thankyou to Mel Terri who helped with the Football team and TBall team at short notice. I must also thank Skyla for asking her Mum to train the Netball Team at lunch times as well as coaching a team for the whole day.

I also need to thank some year 4 students who at very short notice made up the numbers in TBALL. These children were very enthusiastic and helped our team out enormously. I am looking forward to including these children in teams next year.

All of our teams were great as they usually are. Some were unlucky and missed out on finals by a few points.

The Boys Soccer team coached by Mr Campbell have made it through to the next level which will be played early next term. Mr Campbell will continue to train this team at lunch times.

Could parents please check cupboards and drawers at home for any School Sport tops. We have quite a few still missing.

Lost Property

Don't forget to take a look at Lost Property that is put out on the seat near the Art room weather permitting. Mrs Carter returns every single named article of clothing. Lately there has not been so much but anything that has been in the Lost Property for a few weeks will be taken to the local Opp. Shop.

DATES FOR YOUR DIARY

PERFORMING ARTS LEADERS

Hey, we are Eloise and Isabella and we are two out of the thirteen performing arts leaders. On behalf of all the Performing Arts leaders, we would like to inform you that Performing Arts is a big part of our school.

Our Performing Arts classes are run by the amazing Natalie Parker. In Performing Arts we do lots of different things such as drama, ukulele, singing, dancing, drums and musical/drama games. There are also extra activities such as band, choir and dance club.

We help out a lot with running choir, dance club and anything else which Miss Parker needs help with. We also do our best in Performing Arts class and if we are not that good at something we still try our hardest.

Recently we have had more performances in assembly. They have been enjoyed by everyone. Our last year's whole school production *The Secret Songwriter's Club* was amazing and we hope to do a lot more of these in the future. Another event that everyone is very enthusiastic about is the *Rye's Got Talent* show.

Performing arts means a lot to us. We will always give up our time for it. For the future Performing Arts leaders we would like to say that you will enjoy this role very much and never regret your choice.

Yours sincerely,
Eloise and Isabella.
