

## Grade 1/2 Team News

### **Welcome Back!**

It was fantastic to come back this term to fresh happy faces. Thank you for all those wonderful parents that kept up the awesome reading over the holidays. Many of our Grade one and twos have been reading so well they have already been awarded a book mark at assembly. Great news!

### **Assembly**

Assembly will now be held every second Thursday at 2:30pm. Please come along and be part of our new assembly format. It is fun and student oriented.

### **Excursion**

We had our quick excursion to the cemetery last week after a discussion about ANZAC Day and the soldiers that defended our country. We respectfully walked around the graves and put rosemary on the graves of those who served our country. We were all surprised by how many brave men and women from Rye have been involved in war.

### **Happy Birthday**

A great big Happy birthday to all of the April babies.. We hope you have a great day!

### **Come on in!**

Please come in and have a look at all our rooms. You are welcome to look through each of the classrooms as we all work as a big happy team. Anthony and Caitlyn have just put in a planetarium- it is as good as the real thing. Leanne and Ange have a huge construction area dedicated to all the young tradies of the future, a hospital and a jungle and Linda has a café.

Each classroom has a communication board that is filled with information about what happens in your child's class every day. All literacy and numeracy lessons are displayed along with what our learning intentions are for the fortnight. Have a look and if you find it difficult to follow please ask as we are happy to explain how it all works.

Last of all we thought it might be an idea for you to get to know us so we interviewed.....
