Welcome back to all our past students and a very big welcome to our new students for 2015!

Teachers and students have all settled into the new school year nicely and we are enjoying spending quality time with our wonderful grades. In Term 1 our Integrated Unit is looking at Community and Indigenous Inspirations. Last week we focused on what Harmony Day is and why we celebrate it and this week we have been investigating how Communities work.

If you have any questions or concerns please feel free to come in and chat to your child’s teacher.

We look forward to having a fun and exciting year and we know that most of our students can’t wait for Somers Camp!
