## Grade 6 Camp

Grade 6 camp is quickly approaching, with only 5 weeks until they depart. A packing list will be sent home shortly. The parents who are attending camp have been notified and we wish to thank all the parents that put in an expression of interest. The camp directors have also notified us that there are souvenirs the students can pre order to buy at camp. We have attached a copy of the list of souvenirs available.

## Production

The production is happening next week on Wednesday and Thursday nights, starting at 7pm. Please drop your child off at their classroom by 6:30pm so they can get ready. Everyone should have their costume organised by now, but just in case:

**Important:** Grade 6 students are required to wear a black long sleeve top and black pants, both of these items need to be completely black with no writing on it. Girls can wear either tracksuit pants or leggings and boys can wear either tracksuit pants or pants but no jeans. Please note that the tops are getting painted. If these can be brought to school no later than Monday.

**Important:** Grade 5 students are required to wear a business suit or a hippy costume each student knows which costume they need depending on their performance.

## Footy Day

On the last day of term 3 we celebrated the end of the AFL season and the upcoming AFL Grand Final with a footy day. The students were able to come dress in their favourite footy colours. On the oval we had a longest kick competition for both the students and teachers, well done to all! We were also lucky enough to have AFLW star and former Rye Primary School student Georgia Walker come along and participate and show off her talent.

## Kids teaching Kids

At the end of last term, the students from the environment committee went to Silverton Primary School for Kids Teaching Kids. The students worked all last term on a presentation to teach other students about the environment issues and how they can help. All the students had a great day at Silverton Primary and the feedback they received from the teachers was really positive. A huge thank you to Miss Everitt for all your hard work to ensure that the students were prepared. Also a huge congratulations to all the environment committee students for their hard work across the term and during their presentations.
