## Learning, Life and Adventure

### Tiqbiz - Flexibuzz

Can all families please update their Tiqbiz app. When it updates it will become Flexibuzz. This will ensure that all notifications from the school reach you. Please let us know if there are any issues.

### Rye Fire Brigade

On Tuesday the Rye Fire Brigade spoke to all Grade 5/6 students about what to do in the event of a fire and how to read the fire danger rating signs. The firefighters also spoke to us about a program offered to 11 year olds held on Tuesday evenings during the term at the Rye Fire Station to learn more about what the CFA do. Anyone interested can contact the Rye Fire Station or attend on Tuesday for a trial session starting at 5:30pm until 7pm.

### Father's Day Breakfast

Thank you to all those that attended the Father's Day breakfast last Monday morning. It was great to see so many families there celebrating the special day. Students enjoyed sharing a special breakfast with their loved one.

### Grade 6 Camp

Thank you to all those parents who put in an application to help out during the Grade 6 camp, those who have been successful will be notified shortly.

### Production

In grade 5/6, production practice is in full swing. The grades have been busy practicing their songs. Students have been notified of leading roles and they are working hard to learn their lines.

**Important:** Grade 6 students are required to wear a black long sleeve top and black pants, both of these items need to be completely black with no writing on them. Girls can wear either tracksuit pants or leggings and boys can wear either tracksuit pants or pants but no jeans. Please note that the tops are getting painted. If these can be bought to school ASAP that would be fantastic.

**Important:** Grade 5 students are required to wear a business suit or a hippy costume. Each student knows which costume they need depending on their performance.

## Grade 5 camp - Sovereign Hill

On Monday 4<sup>th</sup> September the Grade 5 students travelled up to Sovereign Hill for their 3 day-2 night camp. The first day the children spent walking around the village, going into the shops, playing 1850's style ten pin bowling and gold panning. On day 2 the students attended costume school and they dressed up as if they were students in the 1850's. They then went off to school, learning about handwriting, joint writing, sewing and drawing. The students were made to sit up straight, no talking and were asked to stand if they wanted to ask or answer a question. At night we went and watched The Blood on the Southern Cross – a light and sound show. There was lots of excitement about the show and it didn't disappoint. On the last day students did half a day of school and then jumped back in the bus back to school. By all accounts the students had a lot of fun and have loved sharing their adventures with the Grade 6's. Thank you to our two parent helpers – Laura Rhodes and Joe Cervi.
