Summer Lightning Prens

Our students have started training for the annual Summer Lightning Prens which are being held on Wednesday 28th March. If you are available to help out at these events and you have a current Working With Children's Check, please see your child's classroom teacher.

Hats

As a SunSmart school, all students are required to wear either a bucket or broad-brimmed navy hat every day. Students are also encouraged to bring water drink bottles to school that they are able to have in the classroom throughout the day.
