

GRADE 5/6 NEWSLETTER

Rye Primary School

22nd August 2017

Learning, Life and Adventure

Welcome back!

Welcome back for term 3! We hope you all had a restful and relaxing school holidays and are ready for term 3. We are well and truly settled back into the classroom, with lots of exciting events to look forward too! The term started with Parent Teacher Interviews, we hope it provided everyone with a great opportunity to have a conference with your child's classroom teacher.

22nd August

Environment leaders' excursion

Every Thursday morning

Swim Squad at Colchester Pool from 7:45am to 8:30am.

29th August

District Athletics

4th-6th September

Grade 5 camp - Sovereign Hill

22nd September

Last day of Term 3

House Athletics

Last Wednesday was House Athletics, what a great day! Despite the weather, all the students had an exciting day competing in 6 events. There was 100m, 200m and 800m run, as well as hurdles, discus and shot put. It was great to see everyone getting involved and supporting each other to achieve their best. Good luck to those students who are going on to compete at next week's district athletics in Frankston.

Production

In grade 5/6, production practice is in full swing. The grades have been busy practicing their songs, the students' will soon be finding out about lead roles.

Important: Grade 6 students are required to wear a black long sleeve top and black pants, both of these items need to be completely black with no writing on it. Girls can wear either tracksuit pants or leggings and boys can wear either tracksuit pants or pants but **NO DEMIN**. Please note that the tops are getting painted. If these can be bought to school ASAP that would be fantastic.

Molly McLean

Huge congratulations to Molly McLean, who on the weekend competed in the Team Vic - Schools Sports Victoria National golf tryouts. Molly came equal 2nd in the competition which was played at Sandhurst Golf Club. Molly is now through to the Nationals competing for both Team Vic and Rye Primary School. The Nationals will be played in Adelaide in December. We all wish you the best of luck Molly!

Science Expo

Congratulations to everyone involved with the Science Expo last week. It was so exciting to see the hall filled with so many interesting and well thought out experiments. There was slime, oobleck, homemade lava bottles, and so much more.

A huge thank you to the science leaders who put in so much time and effort to ensure everything was well planned out. We are looking forward to you announcing who the award winners are at the next assembly.

Another massive thank you to Mrs Cunningham who put in an endless amount of effort and time to ensure that the science leaders were well supported and everyone had their experiments ready to go and the general organisation of the day, so thank you!

Active Minds

Active Minds is a program run at Rosebud Secondary College for children in grades 4 and 5. It is a program which aims to get the students' ready for high school. They immerse themselves in a wide variety of activities such as science, teamwork, drama and humanities. The program runs over a 4-week period after school on a Tuesday. The children that participate are from a range of different schools across the Peninsula. It's a great program to meet lots of new people and make new friends which will help once they get to high school. The program cumulates with a parent presentation night, where the students' parents and families can come along and discover what they have been doing.
