Welcome Back!

We welcome you all back to another action packed term of awesome learning! This term students will be learning about coding and it's language using Scratch. In mathematics we will be exploring patterns and algebra (they've had a blast learning how to play Sudoku) and in writing we are continuing to work on Seven Steps. In our reading sessions, students are working in groups on reciprocal reading strategies, like predicting, clarifying, questioning and summarising.

Science Expo

A reminder that our annual Science Expo is coming up very soon, Wednesday 15th August from 10am until 4pm. If you have any questions, please do not hesitate to contact Mrs Cunningham.

House Athletics

A reminder that we are holding our House Athletics Carnival on Wednesday (8th August) at the Rye Oval. Students who have NOT returned their walking permission form need to return this to the office by Wednesday. All students are encouraged to come dressed in their house colours. If any parents are available on the day and have a current Working with Children's, please feel free to contact Mr Campbell or your child's classroom teacher. We are looking forward to seeing some amazing outfits and fantastic sportsmanship on the day. Parents are more than welcome to come along and support your child.

Active Minds - RSC

We were lucky enough to have Miss Rap from Rosebud Secondary College come out today and speak to our Grade 4 and 5 students about their Active Minds program that begins on Tuesday 21st August. Your grade 5 students will have brought home a flyer on Friday if they are interested in the program. Reminder: Please note that to register your child's interest you need to contact Rosebud Secondary College office on 5986 8595 on Monday (6th August) between 8:30am and 4:30pm.

Book Week

It is hard to believe that we only have 2 weeks until our Book Week Dress Up Assembly! A reminder that the theme this year is 'Find your Treasure.' We are so excited to see everyone in their amazing costumes!
