Friday 21/9

Last Day Term 3 –
2:30pm finish

From the Principal's Desk *Jackie Annable*

Last week it was book characters and 100 year old prep teachers and this week we have been star gazing!

Science Dome: The Science Dome visited the school and set up a planetarium in the hall. Students were invited to enter a world of stars, planets and asteroids. As I walked through the hall, I could hear oohs and aahs as asteroids zipped across the night sky.

Please help: We have so many experiences on offer to our students, opportunities that enhance their school and life experiences. Sometimes to provide these experiences we need permission forms completed and money paid. **It is important that these are attended to within the timeframe set so we can accurately cost and staff events.**

Please help us to help your children by noting and adhering to due dates.

If you are having financial difficulties please speak with me, Jackie Annable, Principal as soon as possible so we can work out an arrangement to support you. Please also ensure you have downloaded the FlexiBuzz app as we often send reminders via FlexiBuzz when deadlines are getting close.

Prep Transition: On Friday we had our first POP (Prep transition program). It was great to see our 2019 prep students coming in with smiles on their faces ready to join in. The next session is next week. If you still need to enrol, please do so **NOW** as these transition sessions are vital part of school readiness.

2019 Arrangements: We are starting to organise our class lists and staffing for 2019. Parents now have the opportunity to let me know of any important information that they feel may impact their child's learning or wellbeing. This information must be submitted in writing before the end of this term. Parent, teacher and student input will all be considered before staff make decisions on class placements. All decisions will be made in the best interest of student learning and wellbeing. Unless there is an extremely compelling reason, late changes cannot be made to grade structure after the start of term four. It will also assist our planning if you let the office know if your child will not be at Rye Primary School next year.

Have a great week,

Kind regards,
Jackie Annable

Music News *Nat Parker*

Instrumental Music lessons: Please see Miss Parker if you are interested in playing a musical instrument. We have instruments for hire and great tutors offering lessons at Rye Primary School both during and after school hours. Jarrad, our clarinet teacher started with 3 new students last week.

Staff Wars – Grade challenge. The latest results see the grade 1/2s just in front of the older classes. 1/2 Paffett/Parker are our current school champs with 81 correct answers in naming the notes on the lines of the treble clef.

Monday Music Memes & Quotes:

We Can Do it!!

Pull tabs from cans of food such as canned fish or vegies are also applicable for this collection. Thanks everyone for your help so far. Especially Mia, Darcy & Connor!!

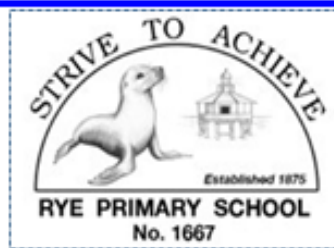

YouTube: This girl can sing!! She smashes Sia's Chandelier on the US version of the TV show *Little Big Shots*. Beautiful tone, pitch and control of every note.

BEANIE DAY FOR CHARLOTTE

Charlotte is a delightful Grade 3 student at
Rosebud Primary School.

Charlotte is also a young girl fighting a rare and
aggressive brain tumour.

On ***Friday 7th September*** we encourage all
students to 'wear a beanie' to show your support for
Charlotte and her family. We ask all students to bring along a
gold coin donation on the day.

**All funds raised will be donated directly to Charlotte's
family.**

***Any additional donations will be also be greatly
appreciated.***

***A massive congratulations to our school captains who have
driven this initiative in our school to support a family in
need. We are very proud of you Sam, Jarrah, Arliah and
Elizabeth.***

If you like to **RUN | JUMP | THROW** local athletics is for you

JUNIOR ATHLETICS develops motor skills and improves fitness for all sports, increasing strength, speed, stamina and agility.

OUR PROGRAM rewards individual "Personal Best" performance, encouraging you to run faster, jump higher and throw further as you progress through the season.

CENTRE FACILITIES of Distance & Sprint tracks, 4 x Jump pit, 2 x High Jump, 2 x Shot Put, 2 x Discus reducing wait time between events. Qualified Group Leaders develop technique.

REGISTRATION of \$170 per athlete aged 5 to 15 includes ribbons, certificates, medals and trophies throughout the 5 month Track & Field, plus 4 month Cross Country season.

WE RUN Friday night from 5.30pm (first event) (welcome 5.15pm) building confidence in a positive environment. Visit us at:
