REMINDER: PMP starts in second term. We are looking for lots of parent helpers on a Wednesday during this time. Times for individual classes to be advised but will be around 11:30-1:15 for all grades. Please be sure to have your working with children check and a copy sent to the office.

FAMILY FUN

NIGHT:

We had our first community event for the year, starting off with the family fun night. It was great to see so many families attend and support our community. The night consisted of many events ranging from the potato and spoon race, sack race, wheelbarrow race, three legged race and a family relay at the end. It was an enjoyable night for all who attended. Many families brought along picnics and mingled with new families. What a wonderful way to start off the new year!

PARENT HELPERS

We would love parent helpers to start to come in and help in the classroom. Be sure to sign in and have your working with children's check in at the office before you come in.

EXCURSION COMING UP!!!

An excursion to the vet will be happening this term. More details to be confirmed. We will require lots of parent helpers for this excursion.
